MOTION BY SUPERVISORS DON KNABE AND
ZEV YAROSLAVSKY

June 23, 2003

The general fund cut being recommended for the Los Angeles County Lifeguards is too large to adequately provide public safety, and could potentially risk lives by reducing summer beach staffing. In order to ensure the safety of visitors to our County Beaches this summer this Board should restore funding to cover adequate summer staffing of lifeguards.

I THEREFORE MOVE THAT, the Board direct the CAO to reallocate \$650,000 from the Provisional Financing Uses Account to the Fire Department for lifeguard summer staffing from June 29, 2003 through September 6, 2003, and funding for the Water Rescue Team.
